RESOLUTION 4-24-2026A

RESOLUTION FOR ESTABLISHING A SPEED LIMIT

WHEREAS: The Board of Supervisors is empowered under authority of Sections 321.255 and 321.285 of the Code of Iowa to determine upon the basis of an engineering and traffic investigation that the speed limit of any secondary road is greater than is reasonable and proper under the conditions existing, and may determine and declare a reasonable and proper speed limit, and

WHEREAS: the temporary closure of Hwy 63 has resulted in a significant increase in traffic volume on K Ave. between Toledo City Limits and Hwy 63, and

WHEREAS: the County Sheriff has reported that the increased traffic volume, combined with prevailing road conditions and excessive dust, creates a hazardous environment for the traveling public, and

WHEREAS: an engineering and traffic investigation (or review of detour conditions) indicates that a speed of 35 MPH is the reasonable and proper speed for this segment during the period of increased usage.

NOW, THEREFORE, BE IT RESOLVED by the Tama County Board of Supervisors that:

1. A temporary speed limit of 35 MPH is hereby established on K Ave., beginning at the Toledo City Limits and extending to the intersection of Hwy 63.
2. This speed limit shall be effective only when such signs are in place and shall remain in effect only for the duration of the Hwy 63 construction project.
3. This resolution shall be rescinded, and the speed limit shall revert to its previous state upon the reopening of Hwy 63 and the removal of the temporary signs.
